Dear Ridgefield Resident:

The vision of the Ridgefield Free Public Library is to be a thriving library and an integral part of the community.

Library funding is based on a percentage of residential real estate values determined by the State. Therefore, our budget amount fluctuates from year to year. In addition, State Aid for libraries has been cut for many years.

The Ridgefield Free Public Library respectfully requests that you consider making a monetary donation that will assist in the purchase of new books and materials which our budget is unable to cover.

Thank you for your support.
